## Re: Invitation to Attend "Women under Construction" Conference

Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ. (Philippians 1:2 KJV)

2<sup>nd</sup> Chance Ministries, located at Fat Hog's Bay, East End, will be having their 1<sup>st</sup> phenomenal Women Conference on **Saturday 3<sup>rd</sup> June, 2017**, at our sanctuary from **9:00 a.m. to 1:00 p.m.** The theme is: "WOMEN UNDER CONSTRUCTION" and is hosted by the Women of Grace Ministries. This is a great time for women to be spiritually renewed and uplifted; as we fellowship and bask together in the presence of the Lord. Our aim and desire is to encourage, empower and portray ministry in a different way to women who are a part of God's army and have the desire to move forward to another level.

We therefore ask you to share this information with the women in your congregation/organization; and encourage them not to miss it. The registration fee is **US\$25.00** per person and covers the cost of conference materials and refreshments. In addition, participants would be eligible to win prizes and give-a-ways during the conference.

We enclose with this letter the registration form; please feel free to make extra copies as you may deem necessary. In addition, you can visit the conference website, with all the latest updates using the link: <a href="https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://wwww.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.https://www.htttps://wwwwww.https://www.https://wwww.https://www.https://
